Return to Play - Phase III

August 14, 2020

The information in this document is not intended or implied to be a substitute for professional medical advice, diagnosis, or treatment. All content and information are provided for general informational purposes only. The knowledge and circumstances around COVID-19 are changing constantly and, as such, Bavarian Soccer Club makes no representation and assumes no responsibility for the accuracy or completeness of this information.

Effective August 14, 2020, Bavarian Soccer Club (BSC) will enter Phase III of US Soccer's Play On protocol in accordance with Wisconsin Youth Soccer (WYSA) and local guidelines. This document is to be used in conjunction with the US Youth Soccer Play On Recommendation and the North Shore Health Department guidelines, which serves as an approach to social distancing, screening, training, and interactions to ensure consistent best practices are followed to promote the health and safety of all participants and fans.

Phases of "Play On" Protocol

Phase I - Individual & Small Group Training

- Small group training only with a maximum of nine (9) players and one (1) coach allowed
- Maintain social distancing during training
- COVID-19 prevention and response protocols in place and followed
- Participant waiver required
- No competition or tournaments

Phase II - Full Team Training

- Full team training allowed
- Maintain social distancing during training

Phase III - Full Team Competition

- Full team competitions can occur - encouraged to limit to local and single day events

Phase IV - No COVID-19 Restrictions

Return to Play - Phase III

August 14, 2020

Prevention and Response Protocols (Phase III)

Returning to play is a personal choice, and you should feel comfortable determining for yourself if you would like to resume activities in a small group environment. The following applies for all players, coaches, referees, volunteers, staff and household members.

General Health

- **Stay Home** if you are sick or have symptoms of an illness
- **Self Quarantine** if you have been in close contact (6 feet) of a suspected or confirmed case
- **Notify BSC** of any possible exposure that may have occurred in your training or club environment

Physical Interaction

- Maintain social distancing of at least six (6) feet whenever not in competition. This includes being addressed by coach or match official (ie equipment check)
- Avoid physical or group interactions (ex: team huddles and/or “high fives”)
- Spectators are not allowed at training
- Spectators are limited to 2 per player for games and are required to wear a mask
- Coaches are required to wear a mask during training and matched wherever possible
- Carpooling is not recommended

Equipment & Training Gear

- Do not share personal equipment or gear (e.g. water bottles, balls, towels, etc.)
- Sanitize sports or exercise equipment after each training session
- Wash all training gear after each training session

Communal Areas

- Clean and disinfect high-trafficked areas regularly
- Prop doors and gates open during usage hours
- If the door is closed, use a sleeve/covered hand or elbow to open

Bavarian Soccer Club

Return to Play - Phase III

August 14, 2020

Bavarian Soccer Club Expectations (Phase III)

- Avoid any direct person contact (no hand shaking, high fives, etc)
- Wear a mask during matches and trainings wherever possible
- Clean and disinfect high traffic areas in accordance with hygiene policy
- Clean and disinfect any equipment to be used in accordance with hygiene policy
- Post signage directing traffic flow and designated team areas whenever possible
- Track attendance in the event contact tracing is necessary
- Spread out team stations so participants can remain 6 feet apart at all time

Coach Expectations (Phase III)

- Conduct a temperature check, at home, prior to training attendance
- Refrain from participation for 10 days or until medical clearance through a primary care provider has been acquired if experiencing COVID-19 symptoms if any kind
- Clean and disinfect any equipment to be used after each session
- Check-in players while maintaining social distancing
- Wear a mask during matches and trainings wherever possible
- Ensure players not on the field of play during a match are masked
- Dismiss players in intervals to avoid clustering at entrance/egress

Parent | Spectator Expectations (Phase III)

- Conduct a player temperature check, at home, prior to each attendance
- Be aware of all safety recommendations
- Obey all posted signage directing traffic flow and designated team areas
- Spectators are NOT allowed at trainings
- All spectators in attendance at a match will be required to wear a mask. Any spectator who cannot meet this requirement may observe from a vehicle or be absent until the match is completed
- Spectators must sit on the same sideline as their team bench with the opposing team and spectators on the opposite sideline to limit exposure
- Limit 2 spectators per player per match
- Remain in car or follow social distancing for player pick up

Return to Play - Phase III

August 14, 2020

Player Expectations (Phase III)

Prior to Training

- Conduct a temperature check, at home, prior to each training attendance.
 - Stay home for a temp > 100.4 and consult your physician
- Prepare all gear prior to arrival at training
 - Backpacks **are allowed** - all personal items should be inside bag at all times
 - Use restroom prior to training - BSC restrooms are available on limited basis
 - 2 labeled water bottles - BSC fountains are NOT available
 - 1 labeled soccer ball
 - Mask and other personal protective equipment
 - Hand Sanitizer and other personal sanitizing supplies
 - Come fully dressed and prepared to play - pack alternate uniform colors
- Travel with as few people as possible - Carpooling is discouraged

During Training

- Wear a mask at all time when not actively participating in training or games
- Report directly to assigned area
- Arrive at your designated time - wait in car until specified entry time as needed
- Check-in with coach while maintaining six (6) feet of social distancing

After Training

- Leave the field at the direction of coaching staff to limit crowding in shared spaces
- Use of personal sanitizing equipment prior to departing field is strongly recommended
- Sanitizing all gear and equipment is strongly recommended
